INTELLIGENCE BRIEF

IDENTIFIERS: NO UNIQUE IDENTIFIERS;

LOCATION: HUDSON YARDS, HELL'S
KITCHEN, CHELSEA

MOTIVE: SURVIVAL BY ANY MEANS

Beyond the organized factions roam thugs and outlaws that now rampage through the city, rioting, looting, and assaulting any who come near them. Unafraid to wound or kill, they survive by preying on the weak. They roam in packs, hunting down easy targets and lashing out at authorities when they get the chance. Volatile and dangerous, they are a constant thorn in the side of the JTF and a steady drain on resources.
